

Andrea Rodriguez

Marketplace Manager

Andrea Rodriguez graduated from Loyola Marymount University with a Bachelors of Arts in Political Science and a Bachelors of Business Administration specialized in Marketing. Before FinConecta Andrea worked in digital marketing learning about ad space and working with different digital products pioneering the market. Andrea has always had an interest in entrepreneurship searching for interesting and new partnerships to bring products to market. She lived most of her life between Mexico and the United States and speaks fluent English and Spanish.
