

Aramide Sadiq

Digital Transformation Manager

Ara Sadiq is the Business Development Lead for Africa at Finconecta. Prior to this, she worked in one of Nigeria's largest commercial banks in customer service, retail and corporate client management and credit risk management. She acquired her MBA degree from Lagos Business School and Master of Advanced Management degree from Yale School of Management. While there, she led several stakeholder gatherings and executed research projects in innovation and digital finance. Ara is excited about the transformation of financial services and the possibilities that come with it.
